ZENESIS® II Bridge Saw Blade

ZENESIS® diamond-pattern technology brings order to a world of diamond-pattern chaos.

In your job, speed and precision are crucial. You need something that will cut through stone quickly and efficiently. With Zenesis blades you'll be able to do just that. Made from our patented technology, these blades are guaranteed to cut faster and straighter through stone with no chipping. In addition, the diamonds don't fall out of their segments until they're completely used, extending the life of your blade. So, if you're looking to save money while increasing productivity, welcome to the dawn of the Zenesis Age!
